

## Webinar exclusive for the members of Stakeholder Platform

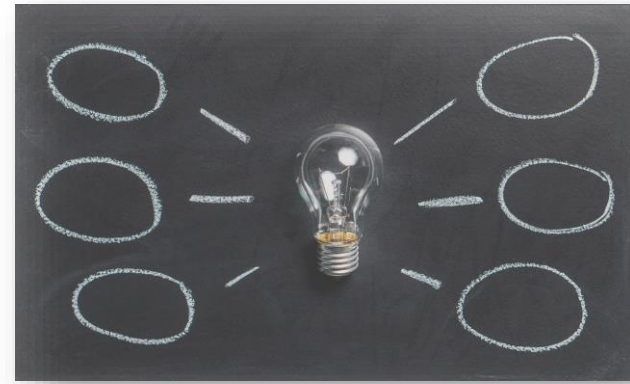

Presenting the current status of FutureEU Aqua project

**10th September 2020**

**11:00 am CET (Berlin/Paris time)**

**via Zoom**

**Presenter:** Åsa Maria O. Espmark (Coordinator of the project, Nofima)

## Objective of the webinar

- Presentation and discussion of progress of the project after the first 18-months.

## About the project

- The overall objective of FutureEUAqua is to effectively promote the sustainable growth of climate-change resilient, environmentally-friendly organic and conventional aquaculture of major fish species and low trophic level organisms in Europe, to meet future challenges with respect to the growing consumer demand for high quality, nutritious and responsibly produced food.
